

Ontario Food Terminal Board

Protocol 2022-1 (Effective Date: September 7th, 2022)

Hours of Operation Protocol

This Protocol is established pursuant to Ontario Regulation 147/22 (Conduct of Business) and further to Ontario Regulation 148/22 (Food Terminal Rules)

The definitions in Ontario Regulation 147/22 (Conduct of Business) made under the Act apply to this Protocol.

Opening Hours of the Terminal

1. Pursuant to section 3 of Regulation 147/22, the opening hours of the Terminal are as posted by the Manager.
2. The opening hours are posted at the northside and westside entrances of the Terminal and are available on the Terminal's website at www.oftb.com

Entry into the Terminal outside of opening hours

3. No person shall enter the Terminal outside of the opening hours except as provided for in section 4 of Regulation 148/22.
4. Wholesalers and Farmers' Market occupants, including, but not limited to their employees and agents are permitted to enter the Terminal outside of opening hours for the purpose of accessing their units and stalls, as the case may be, as well as their office space and the cold storage facility.
5. In addition to what is provided for in section 4 of Regulation 148/22, those registered with the manager to purchase goods from a wholesaler or Farmers' Market occupant and who have reserved dock space in advance, are allowed to enter the Terminal outside of opening hours.

Requests for Entry into the Terminal outside of opening hours

6. Where a person requires access to the Terminal outside of opening hours where the access would be prudent for the operation of the Terminal, that person shall obtain express permission from the Manager or his or her delegate prior to entry.
